National Sports University, Manipur
Meinya Dr. Thokchom

Will the Minister of YOUTH AFFAIRS AND SPORTS be pleased to state:

(a) whether the construction of the National Sports University in Manipur has begun;
(b) if so, the details and the present status thereof;
(c) the estimated cost for the construction and the amount spent on it so far; and
(d) the time by which the University is likely to start functioning?

Answer

THE MINISTER OF STATE (INDEPENDENT CHARGE)
FOR YOUTH AFFAIRS & SPORTS
(SHRI VIJAY GOEL)

(a) Yes, Madam. Government has started work for establishing National Sports University (NSU) at Koutruk, West Imphal District of Manipur.
(b) Hindustan Steelworks Construction Limited (HSCL), the Project Management Consultant engaged for setting up of NSU, has started survey, soil testing and peripheral boundary work at the site, preparatory to full-fledged construction.
(c) The total cost of the project, including Outlying Campuses of the University, would be tentatively Rs. 500 crore. Phase-1 of the Project has been estimated to be Rs. 91 crore. Rs. 13.50 crore has already been released to HSCL.
(d) The University will be fully functional by 2021-22. However, pending completion of construction work at Koutruk, it has been decided to start degree courses in a few disciplines of NSU from its temporary premises at Khuman Lampak Sports Complex, Imphal, from the coming academic session after the National Sports University Bill, 2017, becomes Law.
